### Dates to Remember

29<sup>th</sup> July – Prep Info Evening

17<sup>th</sup> Aug – Aths Carnival

15<sup>th</sup> Sept – Yr.3/4 Camp

## Principal's Message - Week 2

Dear families, I hope that you are travelling well under the current circumstances. Please reach out if there is anything that we can assist with.

### COVID-19 Updates

Please find below the updates from the DET -

- Remote learning will continue for another **seven days** (hoping to be back to face-to-face learning next **Wednesday 28th July**)
- Students will continue to learn at home or attend the care and supervision program (if eligible)
- All students have a paper for this week's learning (5 days) and another pack will be ready to pick up from the Multi-purpose Room this Friday to cater for home learning next Monday and Tuesday
- If you require your child/ren to attend the care and supervision program over the next week (Wednesday 21st July to Tuesday 27th of July) please email me on [bernadette.warburton@education.vic.gov.au](mailto:bernadette.warburton@education.vic.gov.au)
- If you also require an After Care booking for these days, please contact Lina directly on 0488 349 005

Unfortunately, our Prep Information Night will have to be postponed again! We will let you know a date when the current lockdown lifts.

**A big shout out** to our Lake School parents in the medical field who are also working at the front line ensuring we have access to testing! We are thinking of you and appreciate your unwavering dedication during this time! Thank you 😊

Thank you once again for your flexibility and support during this time.  
If you have any further questions, please don't hesitate to contact me.

*Kind regards,*  
Bernadette

## 'Worker of the Week' Award Winners

### Wellbeing

Can you think of a happy time from your childhood? For most, happy childhood memories include their families and having some simple fun! I encourage all families to try as hard as you can to make lockdown 5.0 a positive experience for your children. Have fun whenever possible, even if it's a quick game of UNO, Hide and Seek or baking cupcakes. These are the things children will remember. We would love to see our families having fun and helping keep our community connected, so if you have any happy snaps we can share, please email them to [louise.bowes@education.vic.gov.au](mailto:louise.bowes@education.vic.gov.au)

With much kindness, Miss Louise

### 5/6 News

#### Day 1 of Lock down 5.0

On Friday, there were a handful of students who were lucky enough to spend the day with Miss Ljubic and Mrs Donaldson. Amongst other activities, like learning to draw ninjas and Tang Fish, reading and watching Space Jam, the 3-6 group also participated in a boat making challenge. The task was to design and build a ship using materials supplied and include the set requirements.. They brainstormed, designed and set to work on building their boats. At the end of the build they tested and modified their boats before putting them to the final test; did they float? and did they stay afloat while carrying a coin? Nearly all of them were successful.

### Eisteddfod News

Congratulations to all the students that participated in the Eisteddfod Primary School choir section. It was a rush, but with the help of Mrs Bacon, students and many teachers we made it! Our Prep - 2 choir group and our Year 3/4 choir group both received a 'Honourable Mentions'. Thanks Miss. Toni for all your hard work and dedication!

# Keeping students active while they learn from home

When children participate in regular physical activity, it boosts their physical and mental health and improves academic performance. Physical activity throughout the day also improves concentration, and the ability to retain information and solve problems.

There are many benefits to being active and getting your move on, but a lot of children aren't moving enough, particularly while learning from home - 15 minutes 4 times a day is all it takes.

To help support your children to stay active while learning from home, families can access a range of free COVIDSafe ideas to stay active and games through [Get Active Victoria](https://www.getactive.vic.gov.au/around-home/) (<https://www.getactive.vic.gov.au/around-home/>) as well as use the 'PE Choice Board'.

Families should remember that whatever gets children moving, gets them active.
